MISCELLANEOUS

- In 2018, I underwent the SAT exam on which I acquired a score of 1380 over 1600 (680 over 800 for evidence-based reading and writing, 700 over 800 for math, and 17 over 24 for optional essay writing).
- I have been a volunteer in the Red Cross - Bouchrieh Center since 2019 and have taken the role of Treasurer (January 2021 – October 2022) and currently Public Relations Officer. I am taking trainings some of which are in communication skills, interaction with kids and elderly, time management…etc. and organized and participated in multiple activities such as camps, Christmas parties, food banks…etc. in addition to obtaining a certificate in First Aid.

- I was in the Math club (MathJams) in the Lebanese University - Faculty of Science – Fanar and Electrical and Telecommunications (IEEE) and Consultancy (RCC) clubs in Lebanese University - Faculty of Engineering – Roumieh.
- I have been part of multiple workshops such as:
  - RCC 2023: Introduction to Strategy Consulting, Financial Analysis for Engineers…
  - Waznat 2018: leadership skills
  - LAU summer camp 2017: application coding and development
  - Multiple NDU sessions in graphic design
  - مهارات من Google: أساسيّات التّسويق على الإنترنت
  - EC-Council Course in Ethical Hacking
- I am also an avid follower of Centre Mine from which I received certificates and experience in multiple seminars like:
  - Track the way: Mapping out a path for a successful Project
  - Emotional Intelligence at Workplace
  - Diversity and Inclusion
  - Market Research
  - Fall in Love with your Client's Problem
- I gained multiple certificates for completion of online courses in HTML, CSS, C++ …etc. from Codecademy and FreeCodeCamp.
